

Dear all,

We would like to announce with great pleasure that since now **“POLSPORT GROUP”** company is an official distributor of **HUTCHINSON** tires brand in Poland, after the termination of cooperation with previous distributor.

“POLSPORT GROUP” becomes official and exclusive **HUTCHINSON** distributor for Poland.

Wide **HUTCHINSON** offer will be available soon from **“POLSPORT GROUP”** stock. We advise all customers to place new orders by contacting new distributor's sale channels.

I would like to have strong and reliable partner and I believe cooperation with **“POLSPORT GROUP”** will be long lasting and fruitful. It creates opportunity for **Hutchinson** to further development on Polish market, which I think has great potential.

I am looking forward to successful cooperation.
